Enrollment – Edit a Class

To change the credit hours for a variable credit class, the edit option can be used. Only classes that can be changed will be listed under the drop down for the edit option. Pick the class from the drop down and click proceed to step 2.
Click the Units drop down and change the credit hours to the desired hours. Click Next to process the change.

Click Finish Editing if the change is correct.
The results will show Success if the class was updated.

View the results of your enrollment request. Click fix errors to try and correct the problems listed below.
