

Adding a Waitlisted Class from Your Shopping Cart

To enroll in a waitlisted class in your shopping cart, begin by clicking on the **Manage Classes** tile on the Student Homepage and click on the **Shopping Cart** page. Select the box next to the class(es) that you want to be waitlisted for and click on **Enroll**. **The option to Enroll will only appear once a student's enrollment appointment has begun.**

Below the message is a white box containing a green checkmark icon, the text 'BIOL 241 - Human Anatomy Observation Laboratory', and the message 'Class 18406 is full. You have been placed on the wait list in position number 3.' The background shows a partial view of the navigation menu from the previous screenshot.
