

Grading: Honors Designation

Instructors now have the ability to grade students who have completed an Honors Course Contract or a Collective Honors Contract while completing their grade roster. Students that have an approved contract will receive an Honors Requirement Designation that will appear on your grade roster.

1. Log onto Enroll & Pay. On your Instructor Homepage, select the **KU Faculty** tile.

2. Select the appropriate grade roster on your Faculty Center. If you are unable to view your class, verify that the correct term is selected. Click on the "change term" box, if necessary.
