On the left is a navigation panel with several options: Addresses, Contact Details, Emergency Contacts, Ethnicity (highlighted in green), Holds, Honors and Awards, KU Student Residency Status, Update Name & Pronouns, and To Do's. The main content area has two tabs: "Ethnicity" (selected) and "Background". Under the "Ethnicity" tab, there is a heading "Ethnicity" with an information icon. Below it are two questions: "1) Are you Hispanic or Latino?" with radio buttons for "Yes" and "No" (selected), and "2) If 'American Indian/Alaska Native' is selected, proceed to the Background tab for more details." with an information icon. Under question 2, there are checkboxes for "American Indian or Alaska Native" (checked), "Asian", "Black or African American", "Native Hawaiian or Pacific Islander", and "White" (checked).

**To Add Your Tribal Affiliation:** Select the Background tab to add a tribal affiliation. You must have “American Indian or Alaska Native” selected on the Ethnicity page to make this change.

Multiple selections can be made by clicking the plus sign to add any other tribal affiliations to your ethnicity assignment.

To delete any of the selections you saved previously, you can click on the specific tribal affiliation which will give you an option to delete it. Once you select the Delete button, click on Save to make the change on your account.
