To learn more about time limit extensions please refer to U.S.R.R. 2.2.3.3 available at University Senate Rules and Regulations (USRR) | Policy Library.

Viewing Incomplete Grade Details

To view the incomplete grade details for a student in a posted grade roster, click on the KU Faculty tile. Select a term, click on the grade roster and identify the student. Click on the Incomplete Note link for the student.
Next, click on the **Incomplete Detail** link.

The lapse deadline and the lapsed to grade the student will receive once the deadline date is passed are shown under Lapse Status section. The ‘Comments For Student’ field reflects comments made by the instructor at the time the Incomplete was assigned noting the work that needs to be completed by the student. When finished reviewing the Incomplete Detail, click CANCEL. Then click CANCEL again.
Please note that this grade roster is already posted. The Student Incomplete page is a read only page; therefore, changes cannot be made directly on this page.

**Changing Incomplete Grade**

If you wish to change the Incomplete grade to a final grade before the Lapse Deadline date, return to the grade roster and click on the ‘Request Grade Change’ link in the Grade Roster Action box.

The process to lapse Incomplete grades will not run if that Incomplete grade has been changed before the deadline. The comments on the Incomplete Detail will remain available to view.
