Allowing Browser Popups in Enroll & Pay

Some of the following instructions allow for pop-ups from all sites. When encountering a pop-up from a particular site, you should be given a dialog box to allow pop-up from that particular site.

Microsoft Edge for PC (this disables pop-ups for all sites)

1. Click the three-dotted More Actions, then click Settings within the dropdown menu.
2. Scroll down to Advanced Settings, then click View Advanced Settings.
3. Under Block Pop-ups, slide the setting to Off.

Google Chrome for PC

1. Click the Chrome menu on the browser toolbar.
2. Select settings.
3. Click Show Advanced Settings.
4. In the "Privacy" section, click on the Content Settings button.
5. In the "Pop-ups" section, click on the Manage exceptions button.
6. Type in sa.ku.edu, select Allow and click on the Done button.
7. Close Chrome settings window.

Firefox for PC

1. Go to Firefox menu (upper right-hand corner) and select Options.
2. Click on Content.
3. Under Content, the Block Popup Windows box should be checked. Click the Exceptions button.
4. In the "Address of web site" box, type sa.ku.edu and click on the Allow button and then click on the Save Changes button.
5. Close the Options window.

Internet Explorer for PC

1. Go to Internet Explorer menu and select Tools.
2. Click on Popup Blocker.
3. Click on Popup Blocker settings.
4. In the "Address of web site to allow" textbox, type sa.ku.edu and click Add.
5. Click the Close button to close the Popup Blocker Settings window.

Firefox for Mac

1. Go to Firefox menu (upper right-hand corner) and select Preferences.
2. Click on Content.
3. Under Content, the Block Popup Windows box should be checked. Click the Exceptions button.
4. In the "Address of web site" box, type sa.ku.edu and click on the Allow button and then click on the Save Changes button.
5. Close the Options window.

Safari for Mac

1. In the top left of the browser window, click Safari.
2. Click preferences.
3. Click the Security tab found on the front row.
4. Under Web Content, uncheck Block Pop-Up Windows.

Safari under IOS 10.2

1. Under Settings, select Safari.
2. Under the General area, switch the Block Pop-Ups to off.
